## BEFORE YOU BEGIN

- This product is intended for indoor dry-location use only (IP20).
- Inspect the product before installation. Do not install if damaged.
- Unauthorized modification or repair voids warranty.
- Disconnect power before cleaning. Clean only with a dry cloth. Do not use solvents.

## INSTALLATION NOTES

- Installation must be performed by a qualified electrician.
- Use 24 VDC Class 2 power supplies only.
- Power must be disconnected before wiring.
- Handle carefully to avoid damage to the silicone jacket and LED circuitry.
- Refer to Kendila-approved drivers and controls listed on the product page.
- Improper installation voids warranty and may cause product failure.

## INSTALLATION STEPS

Recessed press-fit installation into the slat groove with no clips, tools, or additional hardware required.
