ABOUT US

Welcome to our Product Catalogue, where innovation and artistry intertwine to unveil a diverse range of handcrafted artisanal, architectural and selected lighting products that transcend mere functionality.

With an unwavering commitment to our artisans, we've created Kendila to expand their market reach and empower their craft beyond traditional bounds.

Stemming from a shared passion for lighting, our company was founded by three friends and is driven by a profound respect for our planet, a thirst for innovation, and a foundation of ethics and collaboration. Every creation pays homage to the cultural tapestry that shapes our world, merging traditions with contemporary design in a symphony of aesthetics and meaning.

ARTISANAL COLLECTION

Immerse yourself in the rich history of our artisanal collection. Our products are not just pieces of décor; they are an embodiment of the cultural heritage of Thuya and other exotic woods.

Each creation tells a story of skilled craftsmanship and a tribute to the past.

THUYA WOOD

Immerse yourself in the allure of thuya wood, a testament to nature's artistry. Harvested in an **ecological** manner, thuya's rich reddish-brown hue and distinct grain patterns infuse your space with enchantment. What sets thuya apart is not only its visual appeal but also its unique **aromatic** scent, enveloping your surroundings in a soothing fragrance. Craft your Torka with thuya to embrace both sensory delight and a commitment to ecological mindfulness.

TORKA

Experience refined beauty with Torka's meticulously crafted design that redefines lighting. Elegance shines through its graceful lines, transforming spaces into captivating experiences. Beyond aesthetics, Torka's purposeful illumination enhances settings with engineered brilliance. It's not just a luminary; it embodies both artistic vision and technical excellence, elevating the ordinary. Choose from wood essences like maple, cherry, thuya, and walnut to infuse natural beauty and sophistication into your space.

PATTERNS AND LOGOS

Discover Torka's refined beauty, where elegance meets purposeful design, transforming spaces with captivating illumination.

Elevate your experience by **choosing** from a selection of intricate **patterns**, etched and carved into your luminary.

Our **tailored** solutions empower you to infuse your design, whether it's a **logo** symbol, characters, or anything of significance to you.

Easily select patterns for Torka from our gallery or personalize them according to your own preferences, just like our valued clients.

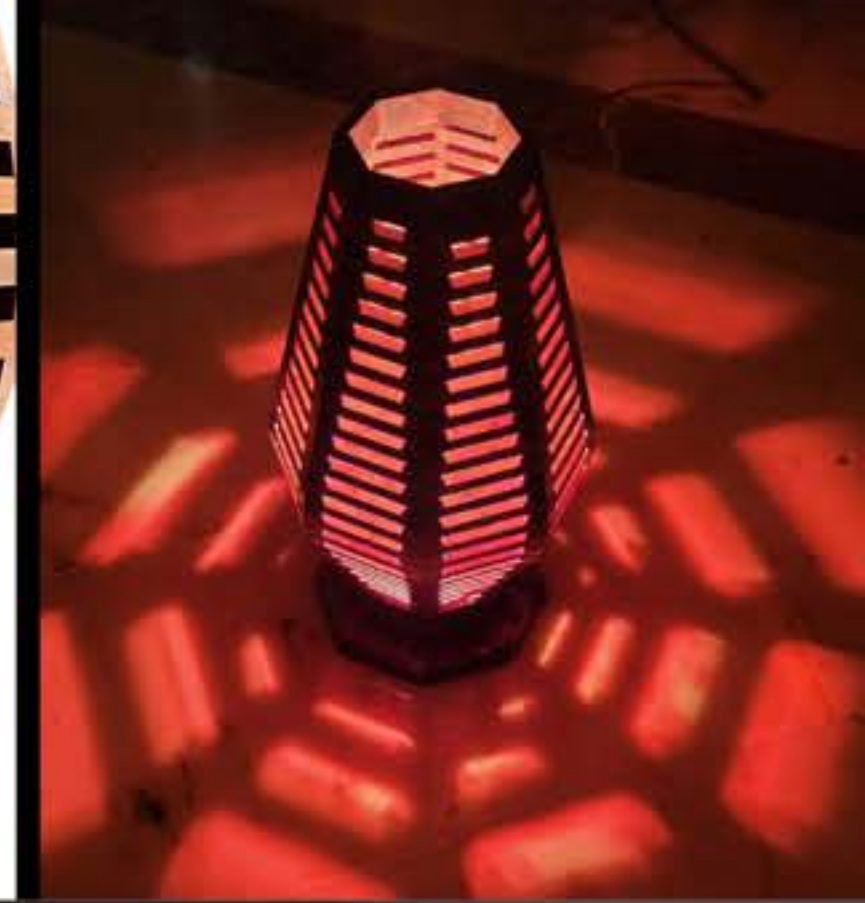

LOUZA

Louza, a meticulously handcrafted luminary from thuya wood, capturing enduring elegance. With its rich reddish-brown hue and intricate grain patterns, Louza draws inspiration from the almond's symbolism of endurance and new beginnings. Its form plays with light and shadow, engaging senses, while its aromatic scent offers a unique journey. Beyond trends, Louza's timeless elegance enriches spaces, embodying artistry and thuya wood's inherent splendor.

Simple and yet so elegant

Ideal for Creating a soothing evening ambiance, Louza sets the mood for relaxation in style, setting the stage for unwinding in an atmosphere of refined serenity.

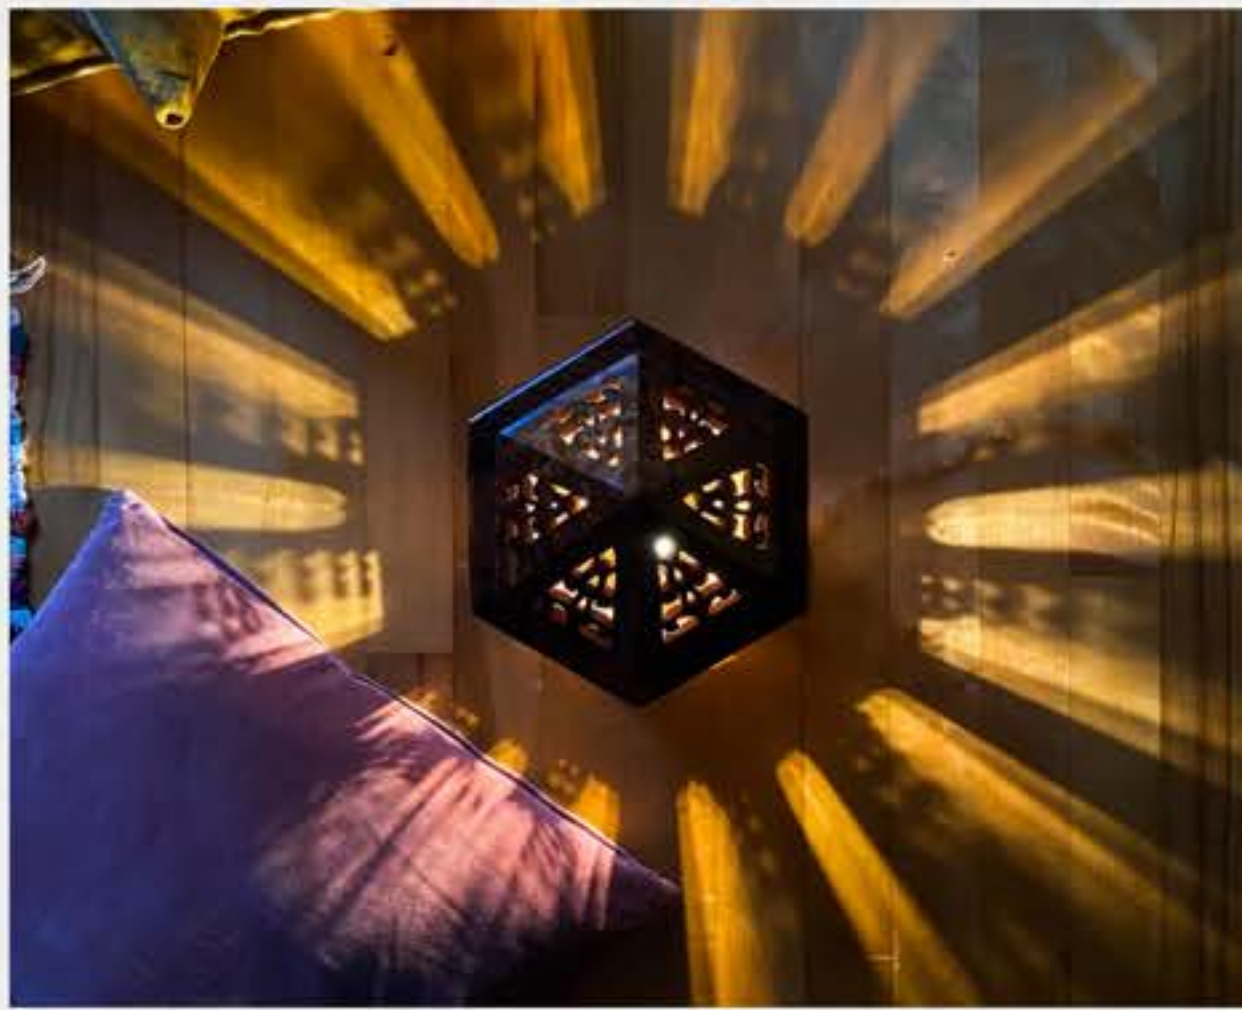

MENARA

Menara stands as a beacon, embodying **cultural** inspiration that transcends time. This luminary is more than illumination; it's a bridge between eras, seamlessly uniting the essence of the past with modern design. Crafted with meticulous attention, Menara honors the legacy of cultures that have shaped humanity's tapestry, transforming your space into a **sanctuary** of stories. Its form draws from cultural motifs, preserving tradition while infusing sophistication, creating a dialogue that sparks appreciation for the rich continuum of human heritage.

FOR PRICING PLEASE CONTACT YOUR LOCAL SALES AGENCY OR CONTACT US AT SALES@KENDILA.COM

Drawing inspiration from cultural motifs and architectural elements, Menara's form takes you on a journey through history. Each curve and contour tells a story, intertwining the elegance of the past with the sophistication of contemporary aesthetics.

LOMPA

Meet Lompa, a bedside lamp that reimagines elegance through the embrace of thuya wood. Its familiar form captures the essence of a typical bedside, yet it stands apart as a unique masterpiece crafted entirely from thuya wood. This luminary infuses your space with the warmth and character of thuya, creating a harmonious blend of functionality and artistry that transforms your bedside into a captivating haven. With Lompa, every moment becomes an encounter with nature's splendor and refined design.

Crafted from thuya wood, Lompa is a masterpiece that weaves nature's artistry into your decor. Its warm reddish-brown hues and intricate grain patterns cast an exquisite allure, transforming any space into a haven of tranquility. splendor.

Marrying organic beauty with functional lighting, Lompa resonates with the essence of the outdoors, creating moments of quiet reflection amidst its timeless splendor.

WHAT'S COMING

Inveiling our upcoming **Brass** collection, where elegance converges with innovation to redefine your lighting experience. Rooted in the artistry of family craftsmanship, each piece is meticulously hand-hammered from brass—a nod to enduring traditions and cherished values.

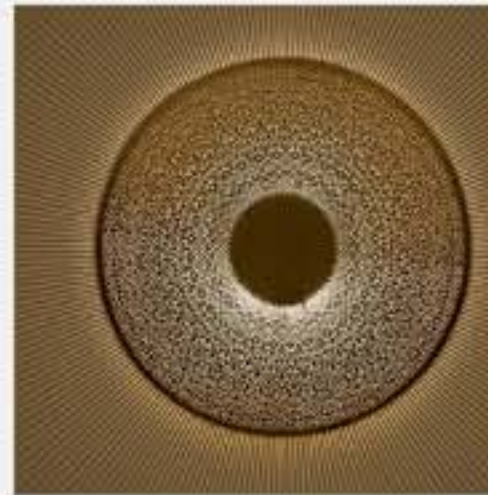

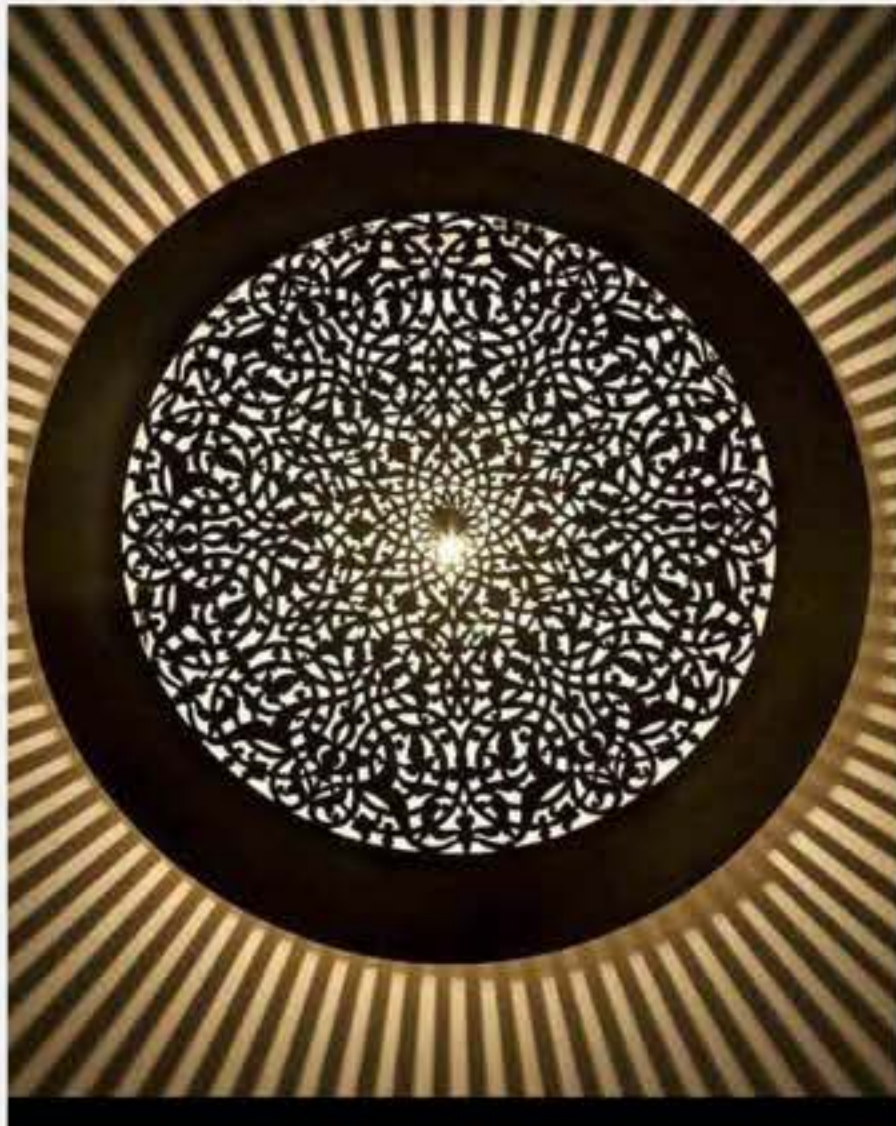

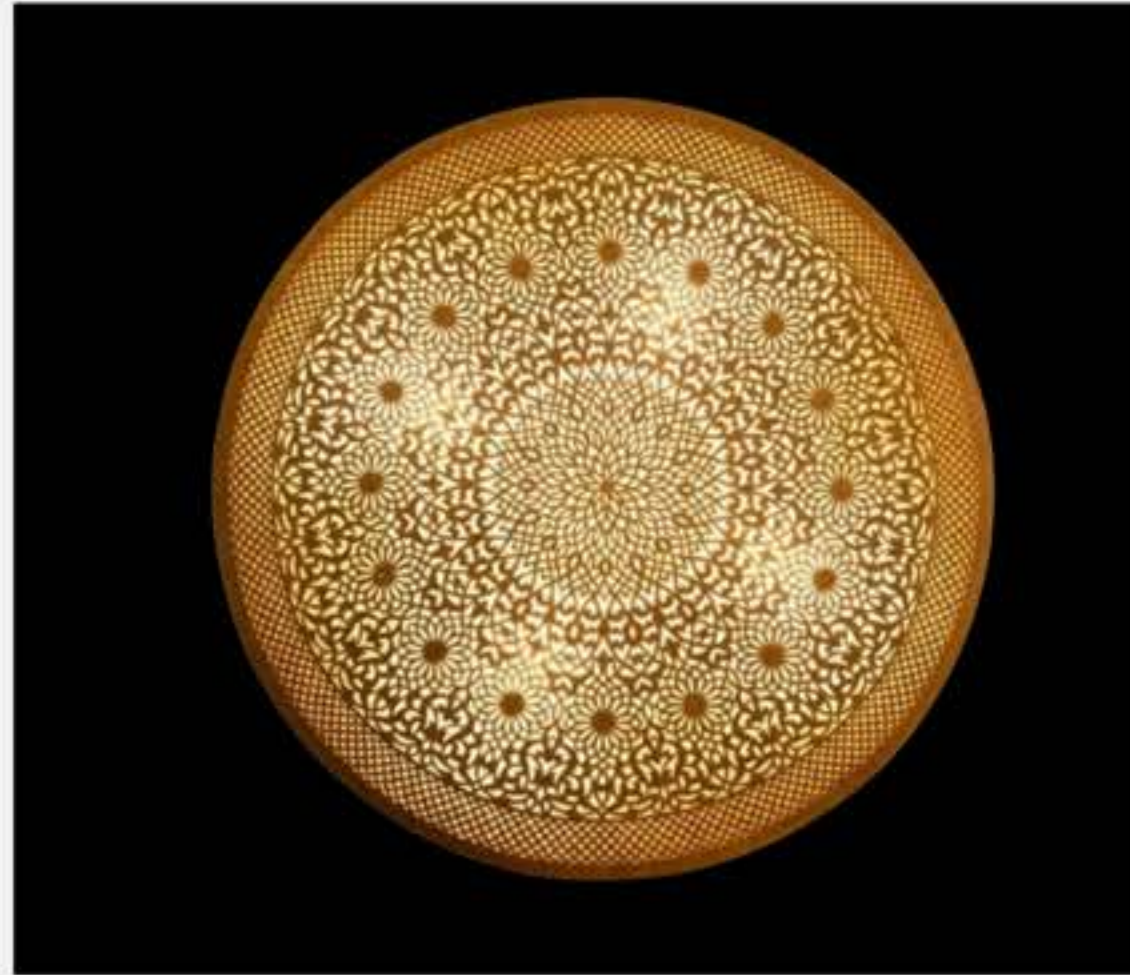

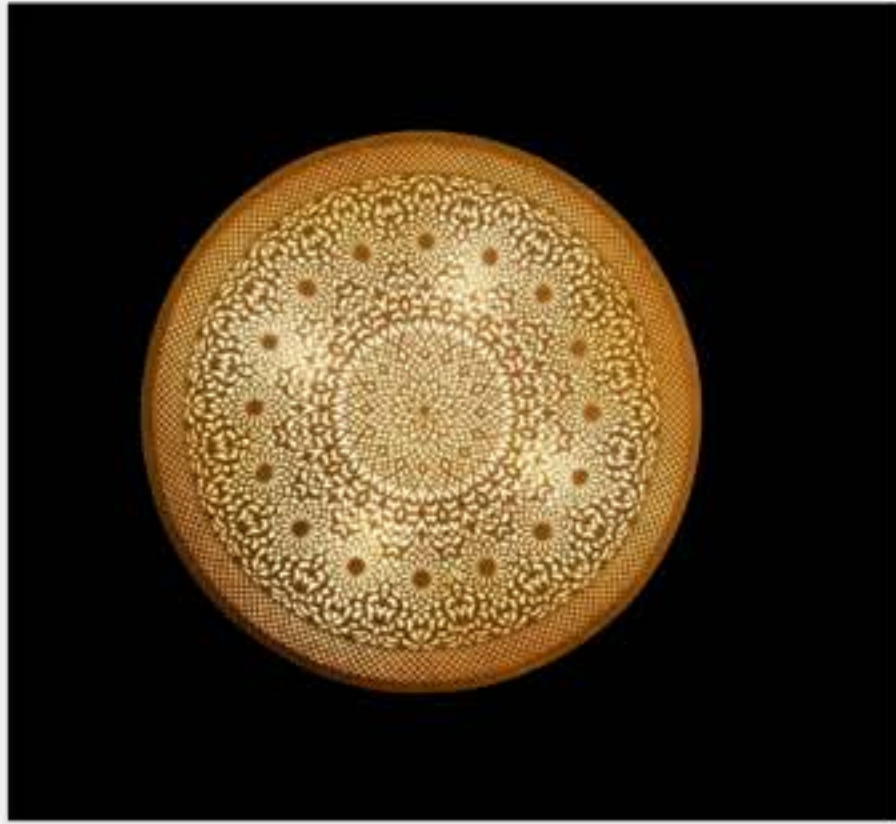

This upcoming lineup, characterized by the same essence of elegance, aesthetics, and high-quality illumination output, represents the harmony of form and function. With a radiant blend of beauty and brilliance, these creations are poised to transform your space into an enchanting haven of captivating light and refined design.

LOUNA

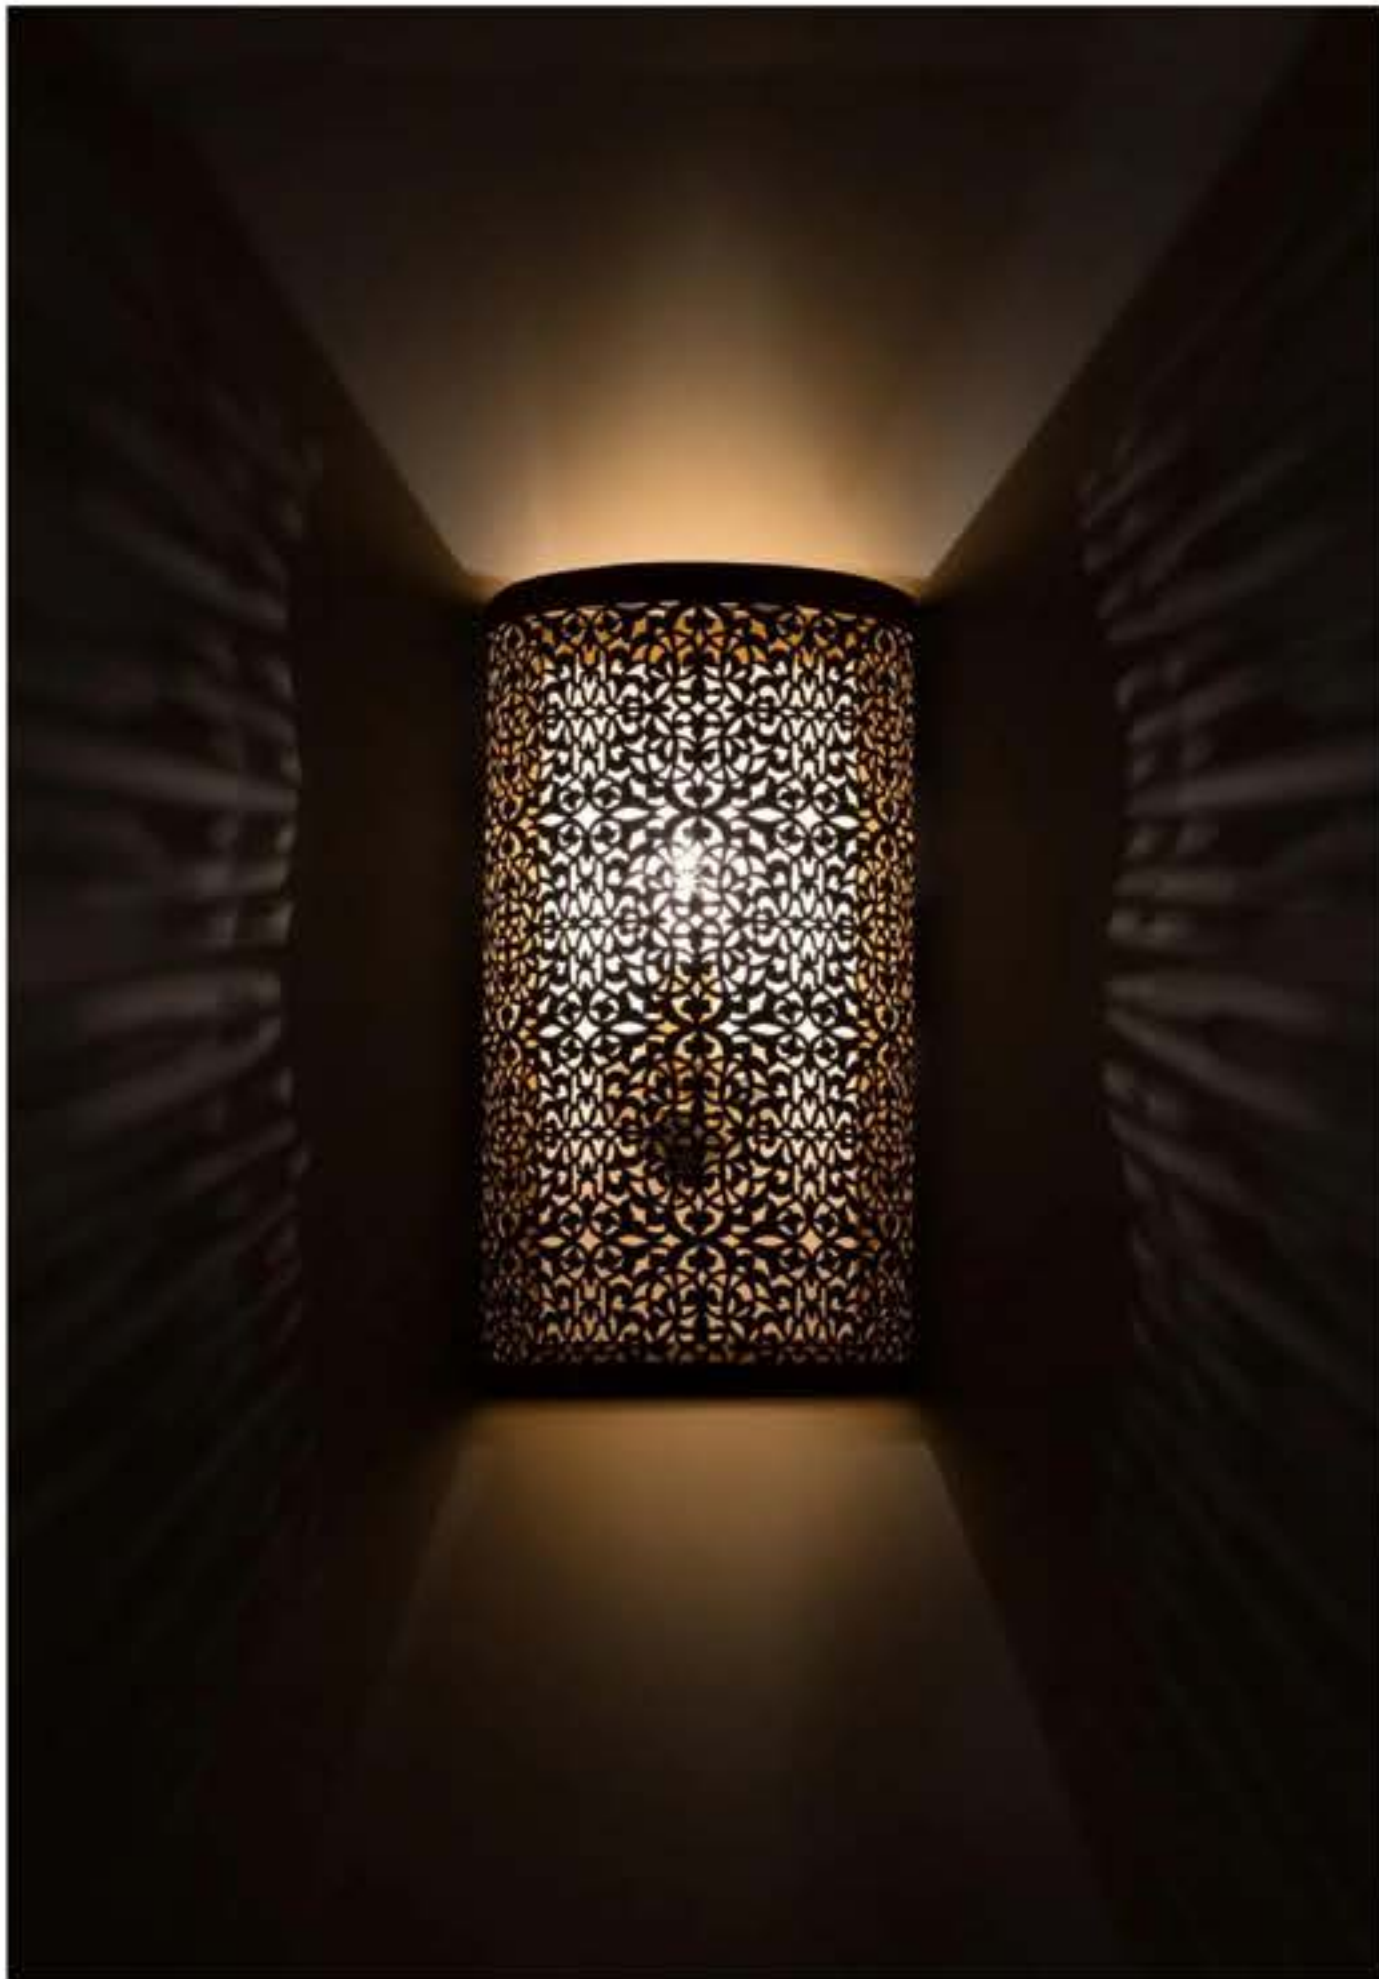

Elegantly carved and hand-etched, Solena graces your wall with a round brass fixture that marries craftsmanship and charm. Meticulously hand-hammered, it brings a touch of tradition to contemporary spaces. Infused with high-end light engines, Solena doesn't just illuminate; it sets the mood, casting a captivating glow that transforms any setting into an ambiance of allure and intimacy.

SOLENA

Radiating sophistication, **Solena** cylindrical form is a canvas of intricate artistry. Meticulously carved and finished by hand, it marries tradition with contemporary design, a true embodiment of timeless **craftsmanship**. Powered by high-end light technology, **Solena** transforms spaces beyond illumination, casting an enchanting radiance that redefines ambiance. With Solena, every setting becomes an intimate haven, where elegance and allure converge in captivating harmony.

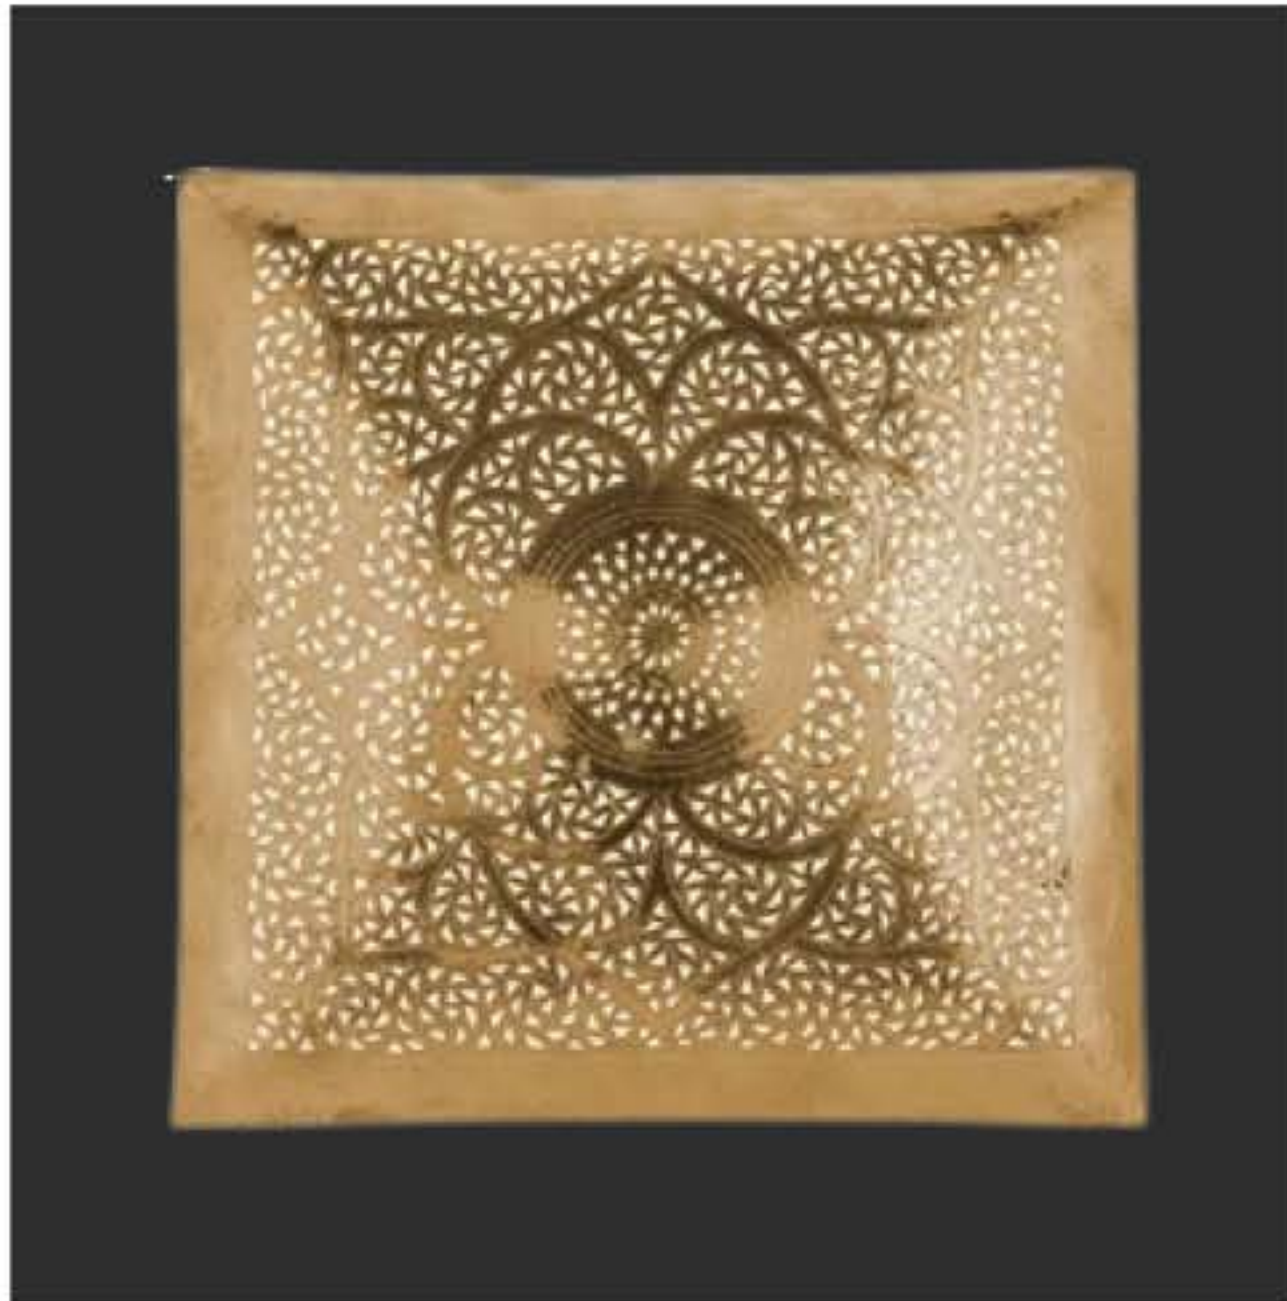

BLAZE

Introducing the squared fixture "Blaze," a masterpiece in brass that radiates captivating allure. Each facet meticulously sculpted and adorned by hand, Blaze seamlessly fuses heritage with modern aesthetics, capturing the essence of timeless artistry. Empowered by advanced light technology, this fixture transcends illumination, conjuring an enchanting radiance that transforms the ambiance. In the presence of Blaze, every space becomes an intimate haven, where elegance and charm unite in a captivating dance of light and design.

ARCHITECTURAL COLLECTION

Discover a new dimension of architectural lighting with Kendila. Our curated collection redefines spaces, showcasing the perfect blend of form and function. From statement pieces that command attention to subtle accents that transform ambiance, Kendila offers a spectrum of options that enhance the architectural beauty of every setting. Illuminate your spaces with sophistication and style, as Kendila brings architectural visions to life through light.

THE T-GRID

Experience the epitome of streamlined illumination with our T-Grid linear light fixture. This elegant fixture is expertly designed to seamlessly mount onto concealed or metallic ceilings, adding an element of sophistication to any space. With a versatile range of Color Correlated Temperature (CCT) options, you can create the perfect ambiance to match your mood and setting. Not only does it offer versatile lighting, but it also boasts a high Color Rendering Index (CRI) for exceptional color accuracy. Available in sizes up to 24 inches by 48 inches, T-Grid brings both aesthetic appeal and superior functionality to your environment.

DIFFUSION

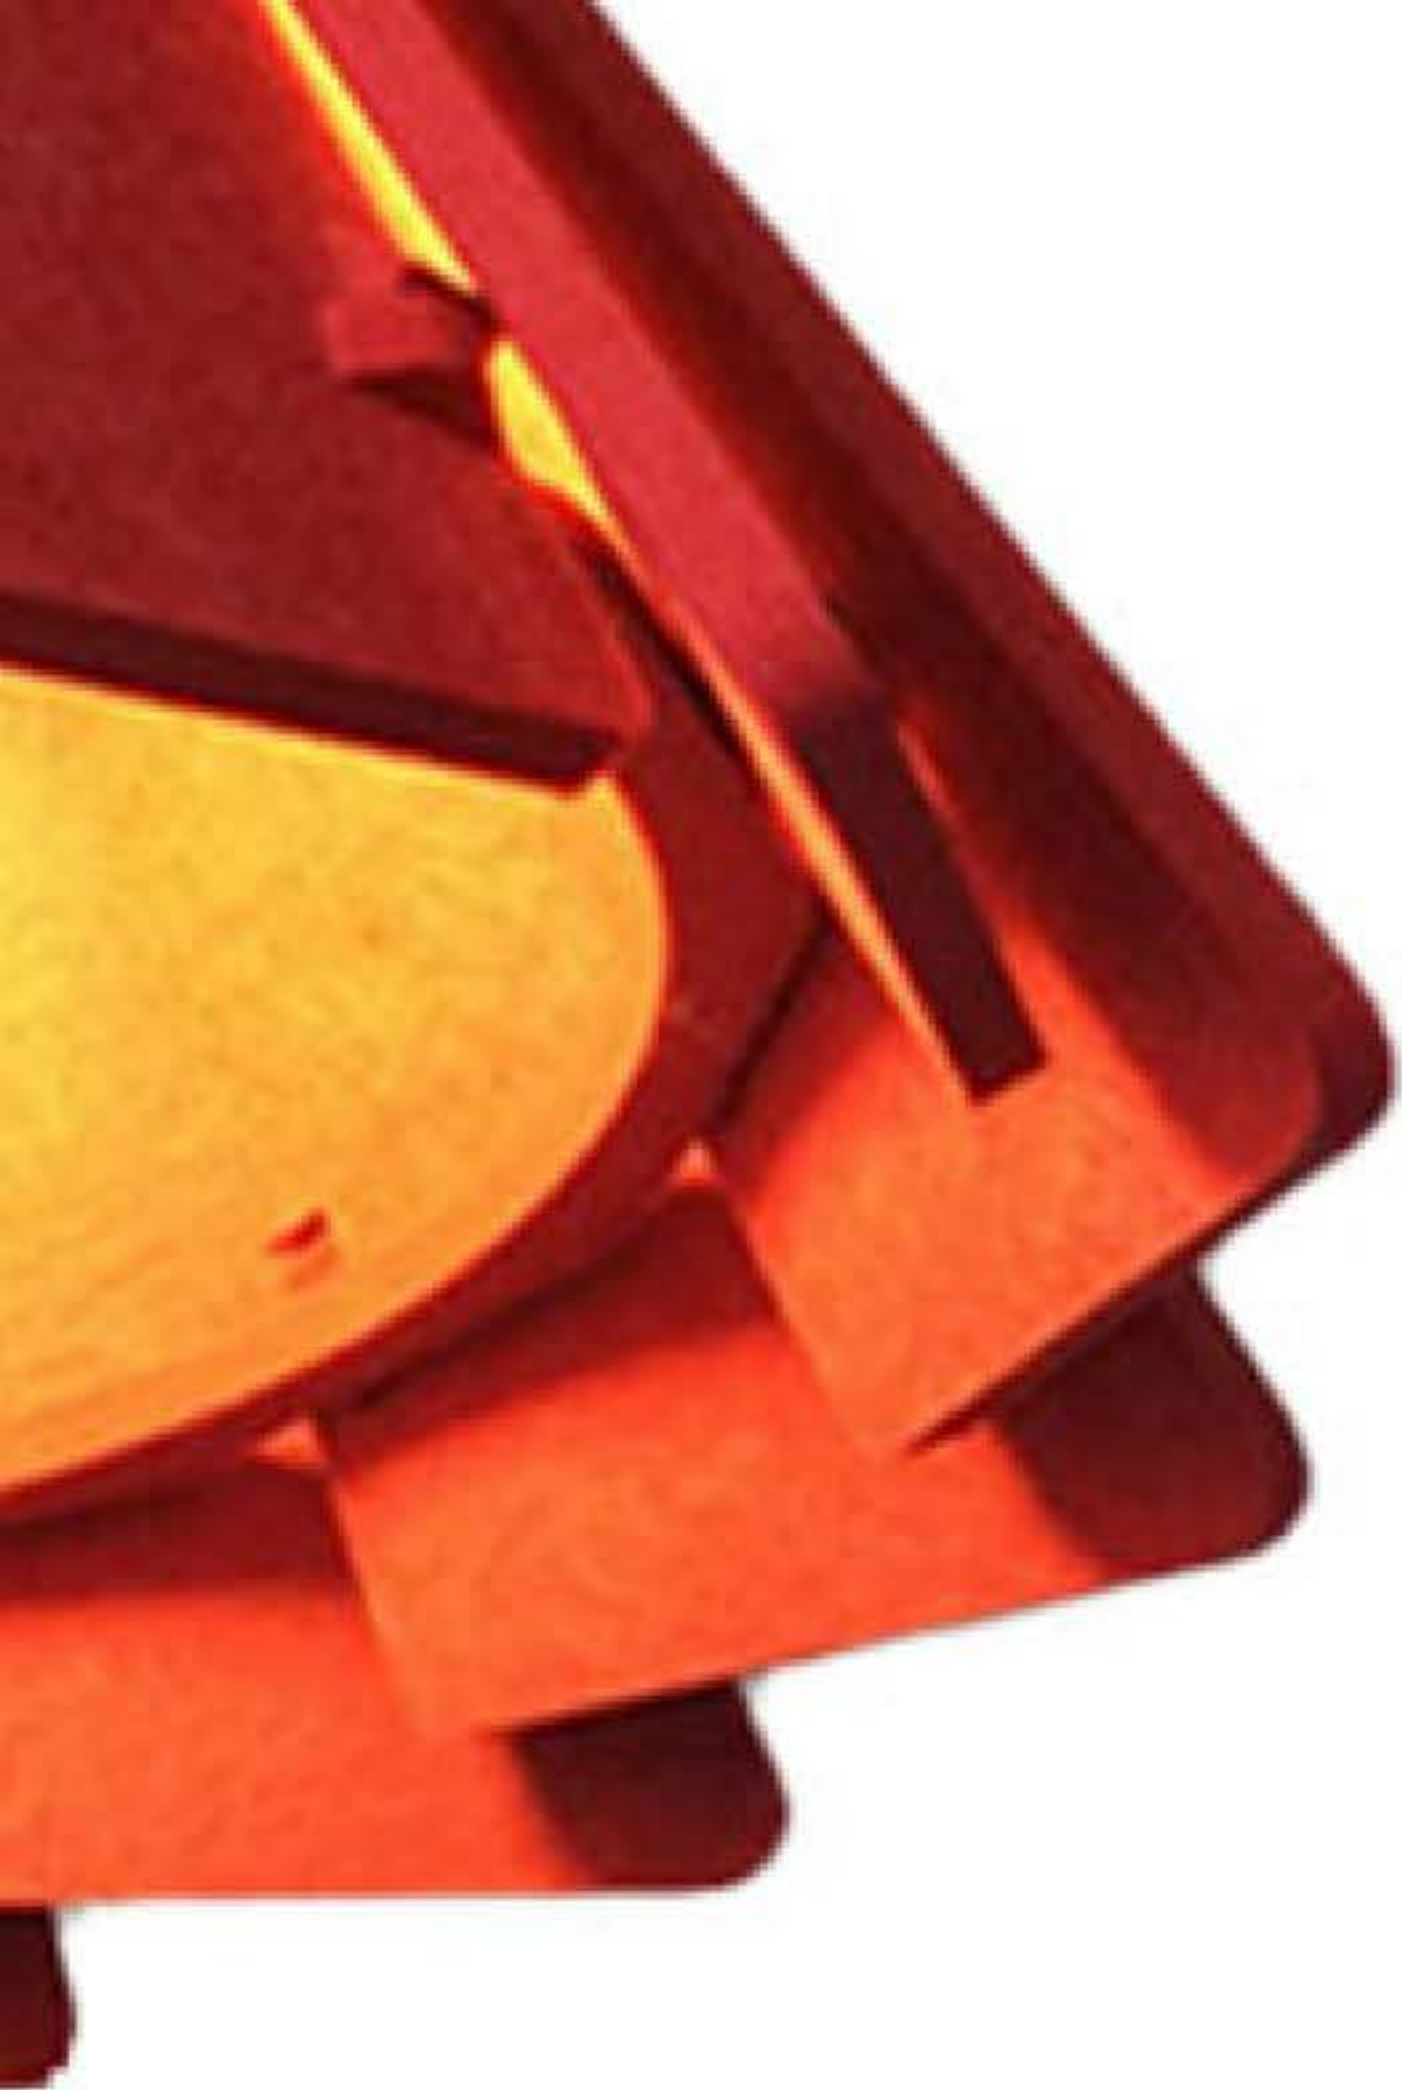

MEDUSA

Enter the world of design versatility with Medusa, a remarkable addition to our architectural collection. This fixture, aptly named after the mythological figure, embodies adaptability and creativity. Water-resistant and exceptionally flexible, Medusa allows you to sculpt and mold light into shapes that suit your imagination. Just like the mythical creature's serpentine locks, this fixture bends to your will, adding a touch of magic to any space. With a versatile range of Color Correlated Temperature (CCT) options, Medusa ensures the perfect ambiance. Tailor-made in size and equipped with high Color Rendering Index (CRI), it guarantees superior color accuracy. Available in both sleek black and pristine white, Medusa is your canvas for architectural innovation.

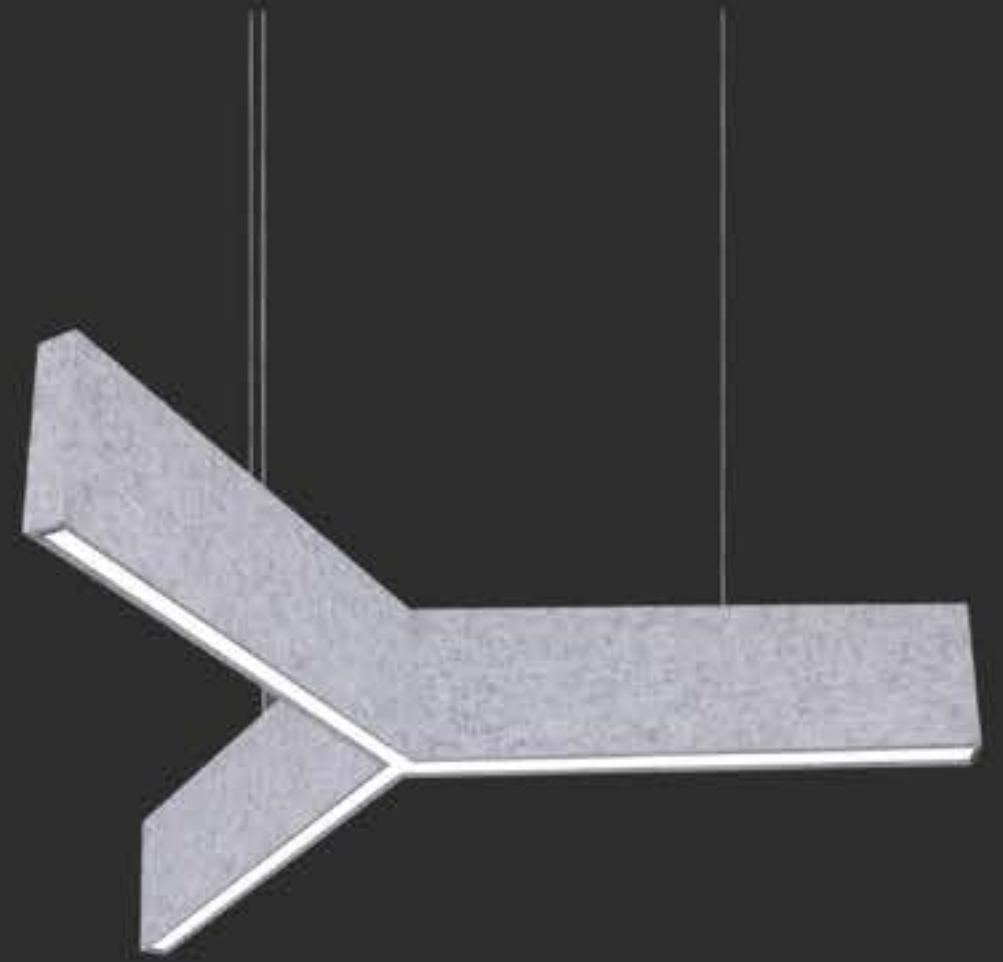

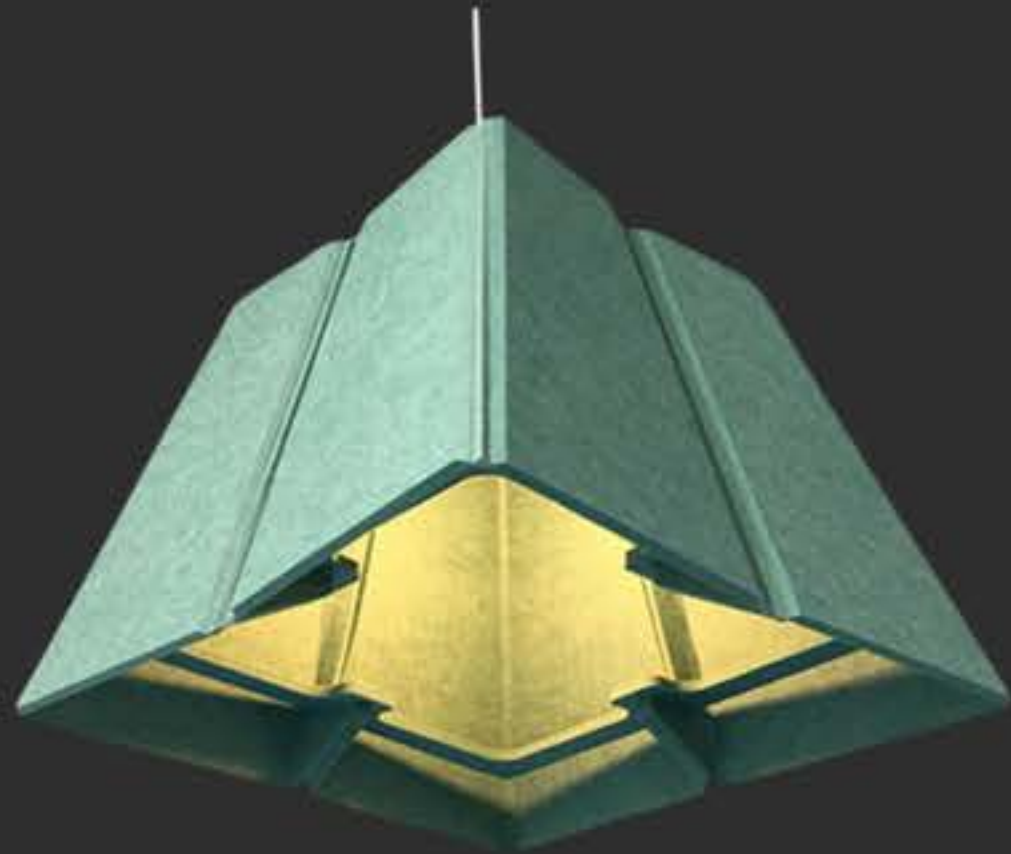

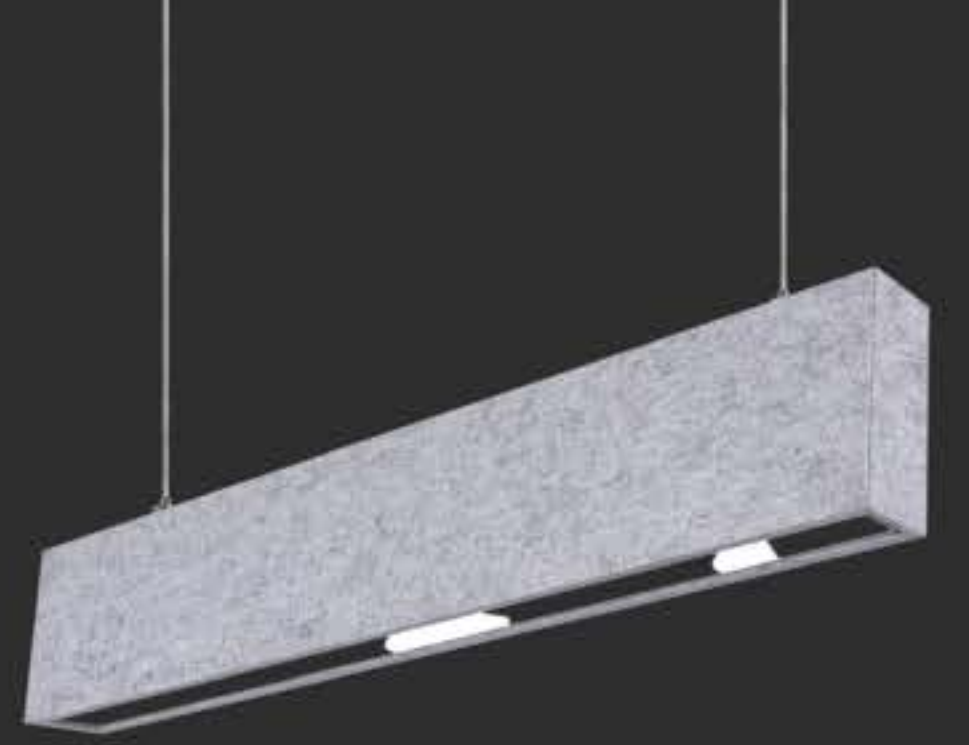

UPCOMING ACOUSTIC FAMILY

Discover a symphony of aesthetics and functionality with our acoustic line of products crafted from felt. These pendant light fixtures redefine interior spaces by seamlessly blending striking design with acoustic performance. The tactile quality of felt creates a warm and inviting atmosphere, while also contributing to sound absorption for a quieter environment. Elevate your surroundings with these unique pieces that not only illuminate but also enhance the acoustic experience, bringing a sense of tranquility and style to any setting.

FELT COLORS

Just as the culinary world embraces a spectrum of flavors, we too explore a universe of colors with felt. When it comes to food, the sky's the limit, and similarly, our palette knows no bounds. With temperature and color as our guides, we craft felt creations that resonate with your desires. From vibrant hues to soothing shades, we find inspiration in the vividness of food and translate it into felt's touchable wonders. Your imagination fuels our journey as we explore this feast of colors, shaping felt into a sensory delight that mirrors the culinary world's boundless variety.

SELECTED COLLECTION

Experience a curated fusion of form and function with our Selected Collection, where user-friendly fixtures seamlessly blend into your decor and style while delivering uncompromising utility.

Designed to harmonize with contemporary trends and cutting-edge technology, this collection redefines modern living. Each fixture is a testament to the art of balance, effortlessly complementing your space while remaining at the forefront of functionality.

Elevate your surroundings with pieces that reflect your personal style, enhance your decor, and seamlessly integrate with the conveniences of modern life.

STEMA-S

Meet Stema, the desk lamp that effortlessly combines style and innovation. Available in **black** or **white**, Stema seamlessly integrates into any space. Its user-friendly design includes a **wireless charger** at the base and a touchless **dimming** feature activated by a simple wave over the sensor, Stema is the perfect blend of form and function, enhancing any environment with its modern aesthetics and practical features.

CHAMPIGNON

Embrace the allure of the Champignon Cleanse, a luminous companion that reshapes your nights. Taking inspiration from the elegant form of a mushroom, it marries aesthetics and utility seamlessly. With an array of **color options** and Color Correlated Temperature (CCT) variations, the Champignon Cleanse injects artistic versatility into every space. Thoughtfully designed as a bedside table lamp, it emanates a soothing radiance that transforms your nighttime environment. Let the Champignon Cleanse cast its graceful glow, enveloping your surroundings with an aura of serenity and visual splendor.

MACARON

Indulge in the charm of the Macaron pendant light fixture. Resembling the delectable macaroon, it infuses spaces with a touch of sweetness and sophistication.

Available in an array of captivating colors, Macaron allows you to personalize your ambiance effortlessly. With variable Color Correlated Temperature (CCT) options, it adapts to every mood and setting. Just like its culinary inspiration,

Macaron is a treat for the senses, casting a warm and inviting glow. Illuminate your environment with the whimsical allure of the Macaron pendant, where design meets delight in a harmonious symphony of colors and light.

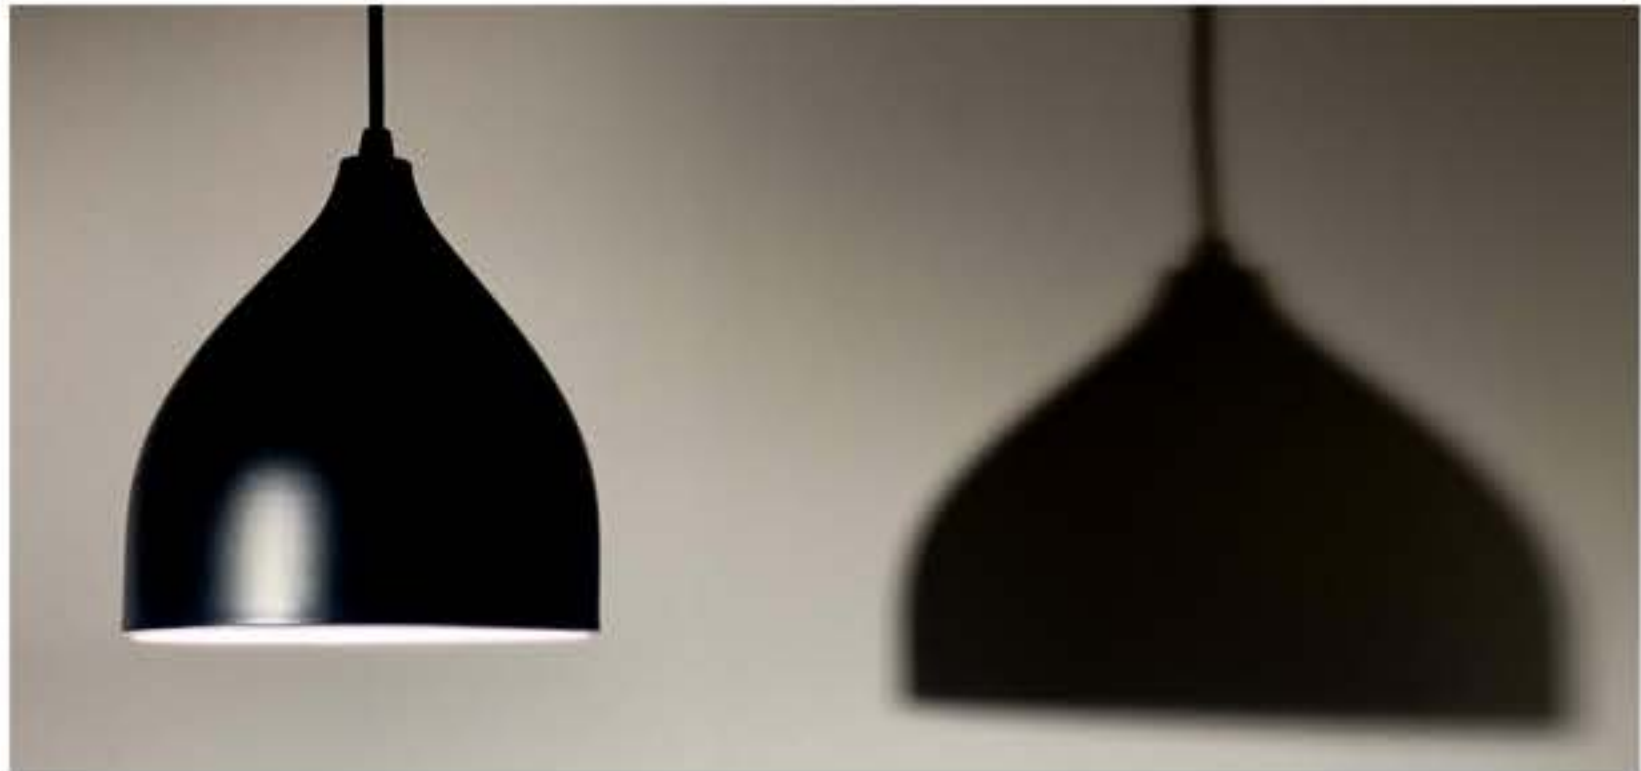

SHADOW

Step into the world of refined aesthetics with Shadow, a pendant that embodies timeless allure. Drenched in sleek black, Shadow defines sophistication.

Available in a range of sizes and Color Correlated Temperature (CCT) options, it offers versatility in its grace. Whether as a bold centerpiece or a subtle accent, Shadow casts an artistic silhouette.

Illuminate your space with the sculpted elegance of the Shadow pendant, where size and color temperature meet style in a symphony of bold presence and understated charm.
