

The Torka

Specification Sheet V01

Project: Type: Date:

Specifier:

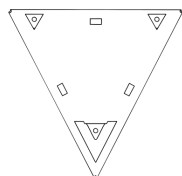

The TorKa wall sconce offers a sophisticated lighting solution, combining intricate design with simplicity for an elegant aesthetic.

Positioned strategically, these discreet luminaires provide soft, indirect, and non-glare illumination to create a cozy and warm atmosphere.

Inspired by the desire to integrate illumination with beautiful patterns, the TorKa wall sconce is a stylish choice for functional and visually appealing lighting.

APPLICATION

Magnetic Mounted Wall Sconce

CONFIGURATIONS

Plane Version

TorKa's Plane version is a blend of architectural simplicity and Scandinavian design, featuring clean lines for a modern aesthetic. This hand-carved wall sconce effortlessly integrates into diverse interiors, offering a timeless touch of elegance.

Pattern Version

TorKa's Pattern version invites customization, allowing personal expression through intricate hand-carved details. With the flexibility to incorporate beautiful patterns or unique branding elements, this highly configurable wall sconce transforms into a personalized work of art.
